

Description of the road to ALVHAGA VILDMARK

E 6 to HALMSTAD. Take exit 45 (towards JÖNKÖPING).

Drive about 30 kilometres and go left in a traffic roundabout into the village TORUP.

In the “center” turn right across the railroad and after 200 meters right again immediately before the church. Now you follow the road and pass through Brännögård and you will come to Kinnared. Take a right over a small bridge and directly after the bridge keep left. You will pass through a saw mill and 200 metres after the saw mill you go directly left following the sign FEGEN.

When you come to FEGEN take a left, go about 200 metres and then take a right turn where you see the sign ALVHAGA 4. Go about 3 kilometres and turn left by a small yellow sign with text ALVHAGA! You will come to a red garage after 1 kilometre and there you turn left and drive up to a white house. This is our office! I will be around if you tell me the time of your arrival. This can be done by phoning from HALMSTAD and then you have about 50 minutes left if you don't lose your way!

If you are uncertain about something please call me, Claës-L. Ljung, on my mobile 0705 906 415. You do not have to dial 0046 when you are in Sweden!

Welcome to Alvhaga!
